*Hugo Gomez, M.D.  
Chief Executive Officer*

November 12, 2015

Dear GCE Friend,

This is an exciting letter for me to write. It regards your friend and mine, Dr. Hugo Gomez.

As I will explain later, Dr. Hugo and his staff need our prayers and help. But first, please allow me to share a little about Dr. Hugo including some recent events.

As you may know, Dr. Hugo is a Christian Guatemalan physician who is Chief Executive Officer (CEO) of Global CHE Enterprises (GCE). Hugo and his wife, Miriam, are the proud parents of four grown children—Hugo Junior, Mario, Gabriel, and Christa—with praise to God, all love and serve Jesus Christ!

After completing medical school in Guatemala City, Dr. Hugo began his medical practice in western Guatemala. Through a memorable and life-changing clinic event involving a young child who mistakenly was given Milk of Magnesia instead of milk by her mother, Dr. Hugo became convinced that the Lord was calling him to become a medical missionary to the remote and forgotten tribal peoples who are the “poorest of the poor.”

Then through circumstances only God could arrange, Dr. Hugo met and joined the missionary staff of Medical Ambassadors International, serving with this fine ministry for 24 years!

In 2009, Dr. Hugo became the CEO of Global CHE Enterprises. Global CHE Enterprises has 31 paid national staff working in eight Central American countries (Mexico, Honduras, El Salvador, Belize, Nicaragua, Costa Rica, Panama, and Guatemala) and focuses on reaching the forgotten and “poorest of the poor” tribal peoples.

What have been some of the results? Over the years, Dr. Hugo and his staff have planted 32 churches. Just last year, five (5) new churches were planted, 834 people came to Christ, and 11 water wells were drilled in rural and remote villages! Obviously, as villagers become healthier spiritually and physically, they reach out to surrounding villages...the “ripple” effect.

As you might know, Dr. Hugo and his eight-country staff lead and oversee hundreds of national volunteers. In addition, each year they receive and facilitate 15-20 short-term teams serving throughout the region. You may have been on one or more of these teams?

Earlier in this letter I said that Dr. Hugo Gomez and his staff need our prayers and help. Please allow me to explain.

The total operating budget for all of this ministry is about \$20,000 per month. At this point, there is an urgent shortfall of about \$8,500 per month!

The more experienced national staff member receives about \$900 per month. Most staff receive less!

Would you please bring this pressing need before our Lord in earnest prayer? In addition, would you also please consider joining Dr. Hugo's/staff's support team? Perhaps you would commit to \$25 a month? Or perhaps \$100 a month? Or perhaps more?

We also realize you may not be able to pledge a regular amount of support at this time. If not, would you please consider a most generous single gift by year-end?

Whatever God leads you to do financially, please consider being a part of the prayer team. Dr. Hugo and his staff need your prayers and encouragement.

May we hear from you by December 31? I am thanking you in advance for your prayerful reply.

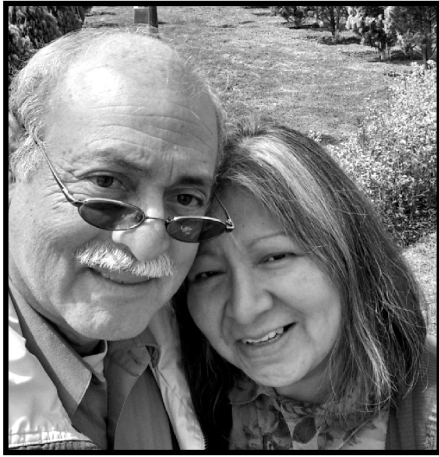

God Bless You,

Mike Douglas, Board Chair  
Global CHE Enterprises
